Dear Hiring Manager,

I am writing to express my interest in the Senior Product Manager, Data position at Universal Audio. With my background as a Software Development Manager at Charles Schwab, I have honed my skills in leading Agile teams and managing complex projects.

I am particularly excited about this opportunity as it aligns with my passion for music and my desire to delve deeper into the audio production industry. I am eager to leverage my project management expertise and commitment to product quality and contribute to Universal Audio's mission of inspiring music creators. I look forward to the possibility of working together to craft exceptional audio products.

Thank you for considering my application.

Sincerely,

Tyler Drake
