About Me

Tyler James Drake is a recording artist, guitarist, and producer blending technology with creativity. With a professional studio featuring Pro Tools 2025 + MTRX and a wide collection of guitars, amps, and analog gear, he crafts immersive modern rock, pop, and R&B; sounds. As both a musician and a software developer, Tyler bridges the gap between engineering and artistry.

Studio Gear Highlights

Pro Tools 2025 + MTRX Studio, Yamaha HS8 monitors, Audio-Technica P48 mic, Fender Stratocaster, BC Rich Shredzilla, Les Paul Epiphone, Yamaha FG-04-LTD acoustic, Line 6 HX Stomp, API & Rupert Neve preamps, Integra-7 sound module.
